Each employer within Lower Nazareth Township and each employer situated outside Lower Nazareth Township who engages in business within Lower Nazareth Township, is hereby charged with the duty of collecting the tax from each of the employees engaged by the employer and performing work for the employer within Lower Nazareth Township. Each person subject to the tax shall be assessed a pro rata share of the tax for each payroll period in which the person is engaging in an occupation.

The pro rata share of the tax assessed on the person for a payroll period shall be determined by dividing the combined rate of the Local Services Tax levied for the calendar year by the number of payroll periods established by the employer for the calendar year. For purposes of determining the pro rata share, an

employer shall round down the amount of the tax collected each payroll period to the nearest one-hundredth of a dollar.

Employer collections of the Local services Tax shall be made on a payroll period basis for each payroll period, beginning with the first payroll period in which the person is engaging in an occupation.

No employer shall be held liable for failure to withhold the Local Services Tax or for the payment of the withheld tax money to a political subdivision if the failure to withhold taxes arises from incorrect information submitted by the employee as to the employee's place or places of employment, the employee's principal office or where the employee is principally employed.

SECTION 2.28 RETURNS

Employers are required to make and file a Local Services Tax Quarterly Return thirty (30) days after the end of each quarter of a calendar year. The Local Services Tax Quarterly Return shall list the name, address, social security number of the employee; the physical address of the employee's place of employment; the number of payroll periods for which the Local Services Tax was withheld and the amount of Local Services Tax being remitted for each employee.

SECTION 2.29 DATES FOR DETERMINING TAX LIABILITY AND PAYMENT

Each employer shall use his employment and payroll records from the first day of January to March 31 each year for determining the number of employees from whom said tax shall be deducted and paid over to the collector on or before April 30 of the same calendar year. Supplemental reports shall be made by each employer on July 30, October 30 and January 31 for new employees as reflected on his employment and payroll records from April 1 to June 30, July 1 to September 30 and October 1 to December 31, and payments on these

supplemental reports shall be made on July 30, October 30 and January 30, respectively.

SECTION 2.30 INDIVIDUALS ENGAGED IN MORE THAN ONE OCCUPATION

In the event a person is engaged in more than one occupation, that is, concurrent employment, or an occupation which requires the person working in more than one political subdivision during the payroll period, the priority of claim to collect the Local Services Tax shall be in the following order:

1. The political subdivision in which a person maintains his or her principal office or is principally employed;
2. The political subdivision in which the person resides and works, if the tax is levied by that political subdivision;
3. The political subdivision in which a person is employed and which imposes the tax nearest in miles to the person's home.

In the case of concurrent employment, an employer shall refrain from withholding the Local Services Tax, if the employee provides:

1. a recent pay statement from a principal employer that includes the name of the employer, the length of the payroll period and the amount of Local Services Tax withheld; and
2. a statement from the employee that the pay statement is from the employee's principal employer and the employee will notify other employers of a change in principal place of employment within two weeks of its occurrence.

The Situs of the tax shall be the place of employment on the first day the person becomes subject to the tax during each payroll period. It is the intent of this section that no person shall be subject to the payment of the Local Services Tax by more than one political subdivision during each payroll period.

SECTION 2.31 EXEMPTIONS TO THE LOCAL SERVICES TAX

The Local Services Tax shall be no more than \$52 on each person for each calendar year, irrespective of the number of political subdivision within which a

person may be employed.

The law requires Municipalities and School Districts who levy the Local Services Tax at a combined rate exceeding \$10 to exempt any person from the Local Services Tax whose total earned income and net profits from all sources within the political subdivision is less than \$12,000 for the calendar year in which the Local Services Tax is levied.

Each political subdivision levying the Local Services Tax shall exempt the following persons from the Local Services Tax:

1. Any person who served in any war or armed conflict in which the United States was engaged and is honorably discharged or released under honorable circumstances from active service if, as a result of military service, the person is blind, paraplegic or a double or quadruple amputee or has a service connected disability declared by the United States Veterans' Administration or its successor to be a total one hundred percent permanent disability.
2. Any person who serves as a member of a Reserve Component of the Armed Forces and is called to active duty at any time during the taxable year. A "Reserve Component of the Armed Forces" shall mean the United States Army Reserve, United States Navy Reserve, United States Marine Corps Reserve, United States Coast Guard Reserve, United States Air Force Reserve, The Pennsylvania Army National Guard or The Pennsylvania Air National Guard.

A person seeking to claim an exemption from the Local Services Tax may annually file an exemption certificate with the collector of the tax for the political subdivision levying the tax and file a copy of the certificate with the person's employer affirming that the person reasonably expects to receive earned income and net profits from all sources within the political subdivision of less than \$12,000 in the calendar year for which the exemption certificate is filed.

The exemption certificate shall have attached to it a copy of all of the employee's last pay stubs or W-2 forms from employment within the political subdivision for the year prior to the fiscal year for which the employee is requesting to be exempted from the Local Services Tax.

Upon receipt of the exemption certificate and until otherwise instructed by the collector of the tax for the political subdivision levying the tax the employer shall not withhold the tax from the person during the calendar year or remainder of the calendar year for which the exemption certificate applies. With respect to a person who claimed an exemption from the Local Services Tax, upon notification to an employer by the person or by the collector of the tax for the political subdivision, that the person has received earned income and net profits from all sources within that political subdivision equal to or in excess of \$12,000 in that calendar year or that the person is otherwise ineligible for the tax exemption for that calendar year, or upon an employer's payment to the person of earned income within that political subdivision in an amount equal to or in excess of \$12,000 in that calendar year, an employer shall withhold the Local Services Tax from the person as follows:

If a person who claimed an exemption for a given calendar year from the Local Services Tax becomes subject to the tax for the calendar year the employer shall withhold the tax for the remainder of that calendar year.

The employer shall withhold from the person, for the first payroll period after receipt of the notification under the above paragraph, a lump sum equal to the amount of the tax that was not withheld from the person due to the exemption certificate filed by the person, plus the per payroll amount due for that first payroll period.

The amount of tax withheld per payroll period for the remaining payroll periods in that calendar year shall be the same amount withheld for other employees.

In the event the employment of a person subject to withholding of the Local Services Tax under this exception is severed in that calendar year, the person shall be liable for any outstanding balance of tax due and the political subdivision levying the tax may pursue collection under this act.

Employers shall not be responsible for investigating exemption certificates, monitoring tax exemption eligibility or exempting any employee from a Local Services Tax.

Employers shall be responsible for retaining a copy of all exemption certificates filed by employees within a given calendar year for a minimum of three (3) years. Employers who have failed to withhold the Local Services Tax from an employee or employees, AND do not have copies of the employee exemption certificate or certificates, will be held responsible for the payment of the Local Services Tax as if the tax had been originally levied against the employer.

SECTION 2.32 SELF-EMPLOYED INDIVIDUALS

All self-employed individuals and individuals whose employer is not required to withhold local taxes will be billed quarterly for the Local Services Tax. The full amount of tax must be paid by the date indicated on such billing. If such taxpayer qualifies for a low-income exemption, the taxpayer may complete the required exemption certificate or make application for a refund of the tax paid.

**SECTION 2.33 EMPLOYEES AND SELF-EMPLOYED INDIVIDUALS
RESIDING BEYOND THE LIMITS OF LOWER NAZARETH
TOWNSHIP**

All employers and self-employed individuals residing or having their place of business outside Lower Nazareth Township but who engage in any occupation within Lower Nazareth Township, do by virtue thereof agree to be bound by and subject themselves to the provisions, penalties and regulations promulgated under this Part with the same force and effect as though they were residents of Lower Nazareth Township. Further, any individual engaged in an occupation within Lower Nazareth Township and an employee of a non-resident employer may for the purpose of this Part be considered a self-employed person and in the event this tax is not paid, the collection shall have the option of proceeding against either the employer or employee for collection of this tax as hereinafter provided.

1. It shall be the duty of the collector to accept and receive payments of this tax and keep a record thereof showing the amount received by him from each employer or self employed person, together with the date the tax was received. It shall be the duty of the collector to accept and keep a record of the information submitted by employers relating to the number of employees subject to the tax, the number of employees exempt from the tax, the employee exemption certificates and refunds of the tax paid to individuals and employers.

Any person aggrieved by any decision of the collector shall have the right to appeal to the Court of Common Pleas of Northampton County as in other cases provided.
3. The collector is hereby authorized to examine the books and payroll records of any employer in order to verify the accuracy of any return made by an employer; or, if no return was made, to ascertain the tax due. Each employer is hereby directed and required to give the collector the means, facilities and opportunity for such examination.

SECTION 2.35 SUIT FOR COLLECTION

1. In the event any of the tax under this Part remains due or unpaid 30 days after the due date set forth above, the collector may sue for the recovery of such tax due or unpaid together with interest and penalty.
2. If for any reason the tax is not paid when due, interest at the rate of 6% per annum on the amount of said tax, and an additional penalty of 10% shall be added to the flat rate of said tax for non-payment thereof. Where suit is brought for the recovery of this tax, the individual liable therefor shall, in addition, be responsible and liable for the costs of collection, including but not limited to attorney's fees.

SECTION 2.36 FINE AND PENALTY

Whoever makes any false or untrue statement on any return required by this Part, or who refuses inspection of his books, records or accounts in his custody and control in order to determine the number of employees subject to this tax who are in his employment, or who fails or refuses to file any return required by this Part, or fails or refuses to pay the tax herein levied shall, upon conviction, be sentenced to pay a fine of not more than \$600.00 plus costs and, in default of payment of said fine and costs, be sentenced to a term of imprisonment not to exceed 30 days. It is further provided that the action to enforce the fine and penalty herein provided may be instituted against any person in charge of the business of any employer who has failed or refused to file a return required by this Part.

SECTION 2.37 REPEALER AND SEVERABILITY

The provisions of this Ordinance shall be severable. If any of its provisions shall be held to be unconstitutional, illegal or otherwise invalid, that decision shall

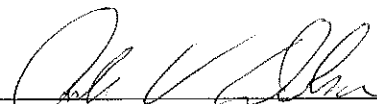

not affect the remaining provisions of this Ordinance or of the Lower Nazareth Township Code of Ordinances.

SECTION 2.38 EFFECTIVE DATE

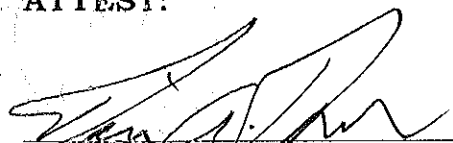

This Ordinance shall become effective in accordance with applicable law, with the repeal of previous Occupational Privilege Tax and Emergency and Municipal Services Tax Ordinances, effective January 1, 2008.
