Courtesy of the Floor

James Faust wanted to know if Lower Nazareth was responsible for the traffic light at Newburg or if Penn Dot oversaw the light at this intersection. Mr. Faust feels like a four-way stop may be better than the existing light and was wondering if someone could investigate this intersection. Mr. Kortze stated that we could pass on his concerns to Penn Dot but that they were the ultimate decision maker with this intersection.

Mr. Faust also wanted to know if it would be possible for the police to start citing people for overgrown weeds, he feels that if the police could cite weed offenders on the spot it would cut down on the unsightliness and cut back on the rats and foxes he has been seeing.

Mr. Faust also asked for the Township to look into making sure that people are taking care of the detention ponds on their property and are held accountable for the proper maintenance of grass and trees within the pond. Mr. Faust asked if something can be put in the next Township newsletter reiterating that detention ponds are private property and children should be staying out of them and not treating them as somewhere to play.
