Manager's Report

<u>Time Extension</u> – The Township accepted a time extension from Karl Kline for the Charles Chrin Preliminary/Final Minor Subdivision. The original project review period ended on September 4, 2008. The new end date is September 30, 2010.

NAZCOG Multi-Municipal Planning Committee Meeting – Mr. Tenges attended this meeting on Monday evening. They will taking a break over the summer months and will meet again in September.

<u>Vandalism at Surrey Glen</u> – Mr. Tenges reported that the Surrey Glen sign and fence have been vandalized. The township crew is not able to fix the damage therefore they will replace the sign. The Township is working with police to increase surveillance in the area. Mr. Tenges said they are considering lightly lighting the area to deter vandals. If he decides to move forward with this idea he will bring it to the Board for approval.

Neighbor dispute – Mr. Tenges received an email from a neighbor who is having trouble exiting a private driveway because of his neighbor's bush. Mr. Tenges spoke with Solicitor Asteak and if the bush is in the Township right-of-way we can trim it back. Solicitor Asteak stated that we don't typically get involved in issues such as this but the bush does pose a hazard. The Board agreed that if it is indeed in the right-of-way, the township should trim it back; otherwise we should avoid getting involved.

<u>248 Brodhead Building Committee</u> – Mr. Tenges attended a meeting on Tuesday May 11th. There is nothing to report.

<u>TCC Meeting</u> – Mr. Tenges stated there is a NCTCD meeting tomorrow. They will authorize an RFP to be sent out for tax collection services. A great deal of effort went into developing this RFP to ensure diligence is part of the process so that our revenue stream is not affected.

<u>House Bill</u> – Mr. Tenges informed the Board of a proposed bill being discussed that would consolidate local government.

Courtesy of the Floor

Mr. Tenges reminded everyone that Clean-up Day is this Saturday. He also noted that this will be the last year residents will be able to take yard waste to Clean-up Day. This will prevent us from paying for yard waste collection twice; thus saving tax payers money. Fliers will be distributed at Clean-up Day informing residents of this change. They will also be given information on FRCA's yard waste program which includes the collection of grass clippings.

Mr. Pennington asked various questions, which we posed to him by residents, regarding recycling container distribution and the yard waste program.

Adjournment

A motion was moved by Mr. Boucher and seconded by Mr. Johnson to adjourn the meeting at 7:15PM.

Respectfully submitted by,

Tammi M. Dravecz

Asst. Secretary/Treasurer
