SWIMMING POOLS

Excerpted from the 2001 Lower Nazareth Township Zoning Ordinance, Article XV,
*ADDITIONAL REQUIREMENTS FOR SPECIFIC USES, Section 1503, Additional Requirements
for Accessory Uses*

20. Swimming Pool, Household. (referred hereafter as "pool")
- a. A building permit shall be required to locate or construct a noncommercial swimming pool.
 - b. The pool shall not involve any commercial use.
 - c. Enclosure Around In-Ground Pools. A new or existing in-ground pool shall be completely surrounded by a secure fence, wall, portion of a building and/or similar enclosure not less than 4 feet in height above the surrounding the existing ground level. This enclosure shall be constructed to make it impenetrable for small children to climb up or slip through the enclosure. All gates or door openings through such enclosure (other than a door to a building) shall be self-closing and include a self-latching device on the pool side for keeping the gate or door securely closed times when not in use.
 - d. Enclosure Around Above Ground Pool. Any existing or new above ground pool shall include a secure fence, wall or other enclosure a minimum of 4 feet high above the surrounding ground level. This enclosure may include the walls of the pool itself. Such pools shall be equipped with an access ladder that can be raised and locked in a position so that it is a minimum of 4 feet above the surrounding ground level or otherwise completely inaccessible to children when the pool is unattended. All decks attached to an above ground pool shall be required to be 4' in height above the existing ground level and shall have a ladder that can be raised and locked in a position so that it is a minimum of 4 feet above the surrounding ground level or otherwise completely inaccessible to children when the pool is unattended.
 - e. Location. A pool and any deck or shelter that is elevated above the surrounding ground level shall meet the applicable setback requirement for an accessory building. Patios around pools that are level with the average surrounding ground level are not required to meet setbacks. Where practical, a pool shall be located to the rear of a dwelling. A pool is not permitted within a required front yard. The water surface of a pool shall be setback a minimum of 15 feet from all lot lines and shall not be located under or within 20 feet of overhead

electrical lines or over a water or sewer easement or within 10 feet of a septic tank or primary or alternate septic drain field.

- f. Drainage. A proper method shall be provided for drainage of the water from the pool that will not overload or flood any: a) on-lot septic system or b) portion of a building or property not owned by the owner of the pool. A pool shall not be located so as to interfere with the operation of a well or on-lot septic system.
- g. The Township may establish an inspection fee to assure compliance with this Ordinance, and shall require that the applicant call for a final inspection of the pool by the Township prior to use. The Township does not assume responsibility for guaranteeing to the public that all new and existing pools fully comply with these provisions.
- h. Water Service. Any inlet from a central water system shall be above the overflow level of the pool. If the water for a pool is supplied by a private water system, there shall be no crossed connection with the central water system.
- i. Nuisances. A pool shall not include illumination of adjacent residential properties beyond what is customary in a residential neighborhood. A pool shall also not include the playing of a radio or recorded music at a volume louder than is necessary for the convenient hearing of persons at the pool.
- j. All in-ground pools must comply with the current Township Building Code ordinance as amended for construction of the pool.

FENCES AND WALLS

Excerpted from the 2001 Lower Nazareth Township Zoning Ordinance, Article XV,
*ADDITIONAL REQUIREMENTS FOR SPECIFIC USES, Section 1503, Additional Requirements
for Accessory Uses*

5. Fences and Walls.

- a. Unless otherwise stated, these uses shall be allowed in all Districts.
- b. Sight Distance. No fence or wall shall obstruct the sight distance requirements of Section 1404.C., nor obstruct safe sight distance within an alley.
- c. Fences -
 - (1) Any fence located in the front yard of a use in the residential districts shall have a minimum ratio of 3:1 of open to structural areas, shall not exceed 5 feet in height and shall be constructed entirely of wood (and any required fasteners).
 - (2) Fences shall not be required to comply with the rear and side yard setbacks for accessory structures, unless the fence would abut a public street.
 - (3) A fence located in a residential district in a location other than a front yard shall have a maximum height of 6 feet. This restriction shall not apply to a fence of up to 10 feet which may be used to enclose a tennis or racquet sport court provided that such fence is not within a required setback area for an accessory structure.
 - (4) A fence shall not be required to comply with accessory structure setbacks, except that no fence shall be built within 5 feet of the future right-of-way of a street and a fence in a residential district shall be setback a minimum of 1.5 feet from a lot line of an abutting dwelling.
 - (5) No fence shall be located within the paved area setback required under Section 1703.
 - (6) Any fence that has one side that is smoother and/or more finished than a second side shall place that smoother and/or more finished side so that it faces away from the area that is enclosed.
 - (7) No fence shall be located in a drainage or utility easement unless approved by the Board of Supervisors. The permittee must agree to be responsible for all legal costs incurred by the creation and approval of an easement agreement with the Township and recorded on their deed, if approved.

d. Walls -

- (1) Engineering retaining walls necessary to hold back slopes are exempted from setback regulations and the regulations of this section, and are permitted by right as needed in all Districts.
- (2) No wall shall be located in the required front yard in a residential district, except as a backing for a permitted sign at an entrance to a development and except for a decorative wall with a maximum height of 3 feet.
- (3) A wall in a residential district shall have a maximum height of 1 foot for every 2 feet if it is setback from a lot line, up to a maximum height of 6 feet.
- (4) Walls that are attached to a building shall be regulated as a part of that building, and the regulations of this Section shall not apply.

SWIMMING POOL OR SPA APPLICATION BARRIER SYSTEM ACKNOWLEDGEMENT AND WAIVER OF DAMAGES

- A. Please indicate the style of barrier system to be used with the proposed pool.
- The fence or barrier system will completely surround the pool on all four sides. Check this box and go to B.
 - A wall of the dwelling will serve as a part of the barrier system. I will be installing the necessary UL 2017 listed window and door alarms and will be including the necessary specification sheet with the permit submittal. I understand that this equipment must be installed and operational for the required final inspection.
- B. I, (we) acknowledge that I have read and understand the 2015 International Swimming Pool and Spa Code. I, (we) the owner of record, shall maintain all safety standards associated with this pool to include any and all fences, barriers, locking covers, audible alarms, locking doors, gates and the like, as required by recognized codes, standards, and the Use and Occupancy Certification; and hereby hold Lower Nazareth Township and their agents harmless for any and all damages or responsibilities that may occur as a result of or associated with this pool.

We agree that we **will not** fill the pool/hot tub with more than 24" of water until the proper barriers have been installed for the pool/hot tub **and** it has been inspected by Lower Nazareth Township's third party inspection agency. Furthermore, we agree that we will not use the pool/hot tub until final inspections have been received.
