COLONIAL REGIONAL POLICE DEPARTMENT UNIFORM TRAFFIC REGULATIONS

Article 100 GENERAL REGULATIONS

101 PROVISIONS TO BE CONTINUATION OF EXISTING REGULATIONS

The provisions of this Chapter so far as they are the same as those of ordinances and regulations in force immediately before the enactment of this Chapter are intended as a continuation of those earlier ordinances and regulations and not as new enactments. Nothing in this Chapter shall affect any act done or liability incurred, or any suit or prosecution pending or to be instituted under any of those repealed or superseded ordinances or regulations. Sections of this chapter may be cross-referenced to the related Ordinance of the authoring municipality.

102 DEFINITIONS

GENERAL: Words and phrases, when used in this ordinance, shall have the meanings subscribed to them in the Vehicle Code of Pennsylvania as now in force or hereafter amended, enacted or reenacted, except in those instances where the context clearly indicates a different meaning.

VEHICLE: Every device in, upon or by which any person or property is or may be transported or drawn upon a highway, except devices used exclusively upon rails or tracks.

HIGHWAY: The entire width between the boundary lines of every way publicly maintained when any part thereof is open to the used of the public for purposes of vehicular travel. The term includes a roadway open to the use of the public vehicular travel. The terms street, road, roadway and traffic way may be used interchangeably and are encompassed by the definition of a highway.

103 EXPERIMENTAL REGULATIONS

The governing bodies of municipalities served by the Colonial Regional Police Department ("CRPD") may from time to time by ordinance designate places upon and along the highways in their jurisdiction at which, for a period of 90 days, specific traffic and parking regulations, prohibitions and restrictions shall be in force and effect, and shall designate such locations by proper signs and markings. No vehicle shall be operated or parked in violation of any such enacted regulation. Such regulations, prohibitions and restrictions shall be effective as if they had been specified in this Chapter. Any person who shall violate any provision of this section shall, upon conviction thereof, be subject to the penalty set forth in the law or elsewhere in this regulation (specifically in Section 602 Penalties) and in the case of a violation where no specific penalty is set forth the law or elsewhere in this regulation, to a fine of not more than \$20.00 plus costs of prosecution.

104 AUTHORITY OF POLICE OFFICERS

The members of the CRPD and their agents are hereby authorized to direct traffic and otherwise enforce the provisions of this chapter within the jurisdictional boundaries of the Colonial Regional Police Commission. Such authority is granted as stated in the Articles of Agreement entered into by the Boro of Bath, Lower Nazareth Township, and Hanover Township, Northampton County, (individually "Municipality and collectively "Municipalities") on May 19, 1995. Such authority shall be granted to members of the C.R.P.D. and their agents in any municipality served by the CRPD.

105 AUTHORIZATION FOR USE OF SPEED TIMING DEVICES

The CRPD is hereby authorized to use all speed timing devices for the determination of speed of a motor vehicle as are approved or will be approved by the Department of Transportation of the Commonwealth of Pennsylvania, in accordance with Title 75 Pa. C.S.A. 3368.

This section authorizes the use of speed timing devices upon all highways within the jurisdiction of the CRPD, including township, borough, county, and state highways, and does also grant authority to the CRPD to exercise all powers granted to "local authorities" under the Vehicle Code of the Commonwealth of Pennsylvania, 75 Pa. C.S.A. 6101 et seq. (1977) as hereafter amended, supplemented, modified or reenacted by the General Assembly of Pennsylvania.

Article 200 TRAFFIC REGULATIONS

201 TEMPORARY AND EMERGENCY REGULATIONS

The police officers of the CRPD shall have powers to establish temporary traffic and parking regulations in the following circumstances:

- A. In the case of fire, flood, storm or other emergency.
- B. In the case of emergency public works, major construction, or public events of limited scope or duration such as, but not limited to, sporting events, parades, or processions.

The CRPD shall enforce these temporary and emergency regulations in the same manner as permanent regulations. Any person who drives or parks a vehicle in violation of any such regulation shall be guilty of a violation and upon conviction shall be liable for the penalties set out in the law or elsewhere in this Ordinance.

202 TRAFFIC ON STREETS CLOSED OR RESTRICTED FOR CONSTRUCTION, MAINTENANCE OR SPECIAL EVENTS

- A. The CRPD shall have the authority to close any highway or specific part of a highway to vehicular traffic and to place barriers or station police officers or authorized persons to direct traffic at each end of the closed portion, while construction or maintenance work is under way or a special event is being conducted on the closed portion. It shall be unlawful for any person to drive a vehicle upon any such closed portion.
- B. The CRPD shall have the authority to establish a restricted traffic area upon any highway where construction or maintenance work is underway and to require the construction company or municipality to station flagmen at each end of the restricted portion of the highway. It shall be unlawful for any person to drive a vehicle upon any such restricted traffic area at any time when the flagman is displaying a sign directing the vehicle to stop, or is signaling that vehicle, by flag or other device, not to proceed.

203 USE OF HIGHWAYS BY PROCESSIONS AND ASSEMBLAGES

A. DEFINITIONS

For the purpose of this Ordinance the following words shall have the following definitions:

ASSEMBLAGE – a group of people without vehicles, whose size or activity would intentionally obstruct the normal movement of pedestrian or vehicular traffic on any sidewalk or on any public road, railroad track, or other public passage, or would in any way intentionally obstruct pedestrian or vehicular access to private property;

PROCESSION - a group of people, vehicles, animals and/or objects moving along a sidewalk or active roadway used by vehicles in a way that would intentionally obstruct the normal movement of pedestrian or vehicular traffic, or in would any way intentionally obstruct pedestrian or vehicular access to private property.

OBSTRUCT - As used in this ordinance the word "obstruct" means to render impassable without unreasonable inconvenience or hazard.

B. PERMIT REQUIRED FOR ASSEMBLAGE OR PROCESSION

It shall be unlawful for any person to participate in or organize an Assemblage or Procession unless the person organizing the Assemblage or Procession has obtained a permit in compliance with this Ordinance.

C. PERMIT APPLICATION PROCESS

1. Application. A person seeking a permit as required by this Ordinance shall obtain an application from the Township/Borough at the Township/Borough Building Office or on line and submit it to the Township/Borough Manager. (see Appendix A)
2. Filing Period. An application for a permit as required by this Ordinance shall be filed at least two weeks before the Assemblage or Procession event.
3. Content. The application for a permit required under this Ordinance shall be on a form provided by the Township/Borough which shall include but not be limited to:
 - (a) The name, address, telephone number, fax number, cell phone number and email address of the person seeking to conduct the Assemblage or Procession.
 - (b) If the Assemblage or Procession is proposed to be conducted for, on behalf of, or by an organization or group, the name, address, telephone number, fax number, cell phone number and email address of the headquarters of the organization or group and of the authorized and responsible heads of such organization.
 - (c) If the Assemblage or Procession is designed to be held by and on behalf of or for, any person other than the applicant for such permit shall file with the Township/Borough Manager a communication in writing from the person proposing to hold the Assemblage or Procession, authorizing the applicant to apply for the permit on his behalf.

- (d) The name, address, telephone number, fax number, cell phone number and email address of the person who will be the responsible for the conduct of the Assemblage or Procession.
 - (e) The date when the Assemblage or Procession event is to be conducted.
 - (f) If a Procession event, the route to be traveled, as well as the starting and termination points; if an Assemblage event, the specific location.
 - (g) The approximate number of persons who, and animals and vehicles which will constitute such Assemblage or Procession event; the type of animals and description of vehicles.
 - (h) The hours when the Assemblage or Procession event will start and terminate.
 - (i) A statement as to whether the Assemblage or Procession event will occupy all or only a portion of the width of the streets, sidewalks, or other public rights of way proposed to be traversed by pedestrian and vehicular traffic.
 - (j) The location by streets of any assembly areas for such Assemblage or Procession event.
 - (k) The time at which units of the Assemblage or Procession will begin to assemble at any such assembly area or areas.
 - (l) The set-up, tear down and clean up dates and times.
 - (m) A Certificate of Insurance for comprehensive general liability insurance in the amount of One Million Dollars (\$1,000,000.00) from an insurance company licensed to do business in Pennsylvania and with a Best Rating of not less than A-, and naming the Township/Borough as an additional insured.
4. Fees. No fee will be charged for the issuance of a permit under this Ordinance.
5. Use of Township/Borough and/or Police Department Personnel and Devices. The Township/Borough Manager, after consultation with the Colonial Regional Police Department and other Township/Borough personnel will determine the number of traffic control devices and personnel needed to provide services for the event based on the nature, location and number of expected attendees. Extra employees, beyond those regularly scheduled to work during the hours of the Assemblage or Procession event may have to be scheduled as to not significantly interfere with regular Township/Borough operations. The expenses for the additional personnel shall be at the current Township/Borough and/or Colonial Regional Police Department hourly rate for the requisite personnel and adherence to the conditions set forth in any applicable collective bargaining agreement.
6. Reimbursement for Expenses. The issuance of an Assemblage or Procession permit will be conditioned on receiving a signed agreement from the permittee in which the permittee agrees to reimburse the Township/Borough for its expenses, if any, as follows:
- (a) Extra personnel – hourly rate paid for the extra services;
 - (b) Unreturned Township/Borough traffic cones - \$25.00;
 - (c) Unreturned Type I barricade - \$125.00;

- (d) Unreturned road closed barricade - \$150.00;
 - (e) Any issues concerning the amount and costs of personnel needed to provide a clean and safe event will be heard and decided by the Township/Borough Manager.
7. Standards for Issuance of Permits. The Township/Borough Manager shall issue a permit when, from a consideration of the application and from such other information as may be otherwise obtained, it is found that:
- (a) The conduct of the event will not unduly interfere with the safe and orderly movement of other traffic contiguous to its route. Nor shall it have any unmitigated adverse impact upon residential or business access and traffic circulation in the same general venue.
 - (b) The conduct of the event will not require the diversion of so great a number of police officers to properly police the line of movement and the areas contiguous thereto as to prevent normal police protection to the Township.
 - (c) The concentration of persons, animal and vehicles at assembly points of the Assemblage or Procession will not unduly interfere with proper fire and police protection or, or ambulance service to, areas contiguous to such assembly areas.
 - (d) The conduct of the Assemblage or Procession will not interfere with the movement of fire-fighting equipment en route to a fire.
 - (e) The Procession is scheduled to move from its point of origin to its point of termination expeditiously and without unreasonable delay en route.
 - (f) The Assemblage or Procession event is not to be held for the sole purpose of advertising any produce, goods or event, and is not designed to be held purely for private profit. Provided, however, the prohibition against advertising any products, goods or event shall not apply to charitable events and to signs identifying organizations or sponsors furnishing or sponsoring floats or transportation for the event.
 - (g) The Assemblage or Procession event will not substantially interfere with any other Assemblage or Procession for which a Permit has been issued, nor shall it substantially interfere with the provision of Township/Borough services in support of other scheduled events or unscheduled government functions.
 - (h) All sponsor(s), participants, and attendees at Assemblage or Procession events are subject to all laws, ordinance, and regulations not specifically excepted by the permit, including but not limited to noise volume, disorderly conduct, and intoxication. Police officers may order the shutdown of an event that becomes disorderly or hazardous.
 - (i) The Township/Borough Manager shall deny any permit application that is incomplete or contains any false information.
8. Notice of Decision. The Township/Borough Manager shall notify the applicant for an Assemblage or Procession permit of approval or rejection of the application within ten (10) days following submission of the application. If the application is rejected, the

notice shall be in writing setting for the basis therefor. Should the application be approved, a permit shall be issued as set forth above.

9. Notice to Township/Borough and Other Officials. Upon the issuance of an Assemblage or Procession permit, the Township/Borough Manager shall send a copy thereof to the following:
 - (a) The Chief of Police; and
 - (b) The Fire Chief.
10. Contents of the Permit. Each permit shall state the following information:
 - (a) Date of the event.
 - (b) Starting time and termination of the event.
 - (c) The portions of the streets to be traversed or blocked that may be occupied by the event.
 - (d) The number of persons, animals and motor vehicles that will be in the event.
 - (e) Statement agreeing to reimburse the Township/Borough for any expenses in accordance with Section F of this Ordinance.
 - (f) Such other information as the Township/Borough Manager shall find necessary to the enforcement of this Ordinance.
 - (g) Signature of Assemblage or Procession organizer and applicant.
11. Unlawful Conduct.
 - (a) It shall be unlawful for any person to organize or participate in an Assemblage or Procession without first having obtained a permit as herein provided or to otherwise violate any of the provisions of this Ordinance.
 - (b) It shall be unlawful for any person to fail to comply with all directions and conditions of the permit.
12. Exceptions.
 - (a) This Ordinance shall not apply to individuals exercising the constitutional rights to free speech or assembly, including (without limitation), picketing, leafleting, counseling and other forms of advocacy. Nor shall this ordinance apply to groups exercising such rights, as long as the exercise of those rights does not involve group activities that would intentionally obstruct the normal movement of pedestrian or vehicular traffic on a public road, railroad track, or other public passage, or intentionally obstruct pedestrian or vehicular access to private property. Nothing in this Exception shall limit the ability of the Township/Borough to enforce against individuals exercising constitutional rights to free speech or assembly other laws, ordinances or regulations prohibiting intentional obstruction of pedestrian or vehicular traffic.

- (b) This Ordinance shall not restrict funeral processions, a government agency acting within the scope of its authority and functions, or conduct governed by a different municipal jurisdiction-issued permit.

204 PLACING OF ITEMS ON HIGHWAY

- A. It shall be unlawful for any person to place, construct, or deposit any structure, portable device or other item on the highway. Items may include, but are not limited, to basketball backboards, skateboarding ramps, and biking ramps.
- B. Removal of items: items placed in violation of this section may be removed and disposed of by the CRPD or its agents. The owner of said item shall assume cost of such removal.

205 OPERATION OF MOTOR VEHICLES RESTRICTED ON PUBLIC LANDS

- A. Designated Areas: All licensed motor vehicles shall be permitted only in designated parking lots and on designated access roads within public lands. Vehicles shall not park on the grass unless directed to do so by the Municipality or its designee.
- B. Prohibited Vehicles: ATV's (All Terrain Vehicles), snowmobiles, trailbikes, and other similar vehicles shall not be operated on public lands, including, without limitation, parks and playgrounds.
- C. For the purposes of this section, "public lands" shall be defined as land offered for the use and benefit of all and being supported by government funds.

206 MOTOR VEHICLES NOT TO BE DRIVEN ON SIDEWALKS

No person shall operate any motor vehicle upon any sidewalk in the jurisdiction of the CRPD, except in order to gain access to or egress from a driveway or alley at such locations where the curb, if such sidewalk is curbed, shall have been properly cut down for that purpose.

207 TRUCK TRAFFIC PROHIBITED

Except for local deliveries, no truck traffic shall be permitted on highways that have been designated and properly posted as "No Truck Traffic" zones. A Municipality shall designate the aforementioned zones by ordinance.

208 USE OF BRAKE RETARDERS

No person shall operate and no owner shall permit the use of brake retarders on any motor vehicle on any highway which prohibits said use.

Article 300 PARKING REGULATIONS

301 PROHIBITION IN SPECIFIED PLACES

General Rule: Except when necessary to avoid conflict with other traffic or to protect the safety of any person or vehicle or in compliance with law or the directions of a police officer or official traffic control device, no person shall:

- A. Stop, stand, or park a vehicle:
 - 1. On the highway side of any vehicle stopped or parked at the edge or curb of such highway.

2. On a sidewalk.
 3. Within an intersection or along the edge or curb of a roadway within 15 feet of any intersection.
 4. On a crosswalk.
 5. Alongside or opposite any highway excavation or obstruction when stopping, standing or parking would obstruct traffic.
 6. Upon any bridge or other elevated structure upon a highway or within a highway tunnel.
 7. On any railroad tracks.
 8. In the area between roadways of a divided highway including crossovers.
 9. At any place where official signs prohibit stopping.
- B. Stand or park any vehicle:
1. In front of or within 5 feet of a public or private driveway or in any position which would impede the entrance or exit to a driveway or garage.
 2. Within 15 feet of a fire hydrant.
 3. Within 20 feet of a crosswalk at an intersection.
 4. Within 30 feet upon the approach to any flashing signal, stop sign, yield sign or traffic control signal located at the site of a highway.
 5. Within 20 feet of the driveway entrance to any fire or ambulance station or, when properly sign posted on the side of a highway opposite the entrance to any fire or ambulance station within 75 feet of the entrance.
 6. On a limited access highway unless authorized by official traffic control devices.
 7. Within a Fire Zone
 8. At any place where signs prohibit standing.
- C. Park a vehicle:
1. Within 50 feet of the nearest rail of a railroad crossing.
 2. At any place where official signs prohibit parking.
 3. Within any painted yellow zone.
 4. In excess of any posted parking time limitation.

302 PARKING ON PRIVATE PROPERTY

- A. No vehicle shall be parked or left unattended on private property:
1. Without the consent of the owner or other person in control of possession of the property; except in the case of an emergency or disablement of the vehicle, in which case the operator shall notify the property owner and arrange for the removal of the vehicle as soon as possible.
 2. In such a manner to obstruct the traveled portion of the roadway.
 3. Outside of marked spaces where applicable.
 4. For purposes of human habitation or overnight accommodations.
- B. The owner or other person in charge of or possession of any property on which a vehicle is parked or left unattended in violation of the provisions of subsections A, 1 and A, 2 may remove or have removed the vehicle at the reasonable expense of the owner of the vehicle. Such person who removes a vehicle left parked or unattended in violation of the provisions of this section shall have a lien against the vehicle in the amount of the reasonable value of the costs of removing the vehicle.

- C. The provisions of Section B shall not apply to a private parking lot unless such lot is posted to notify the public of any parking restrictions in which case the operator of a vehicle should not violate said posted restrictions. This section shall not pertain if the vehicle is considered abandoned. For the purposes of this section a "private parking lot" means a parking lot open to the public and used for parking with or without charge.

303 REQUIRED POSITION OF PARKED VEHICLE

- A. Two way Highways: Except as otherwise provided in this section, every vehicle standing or parked upon a two way highway shall be positioned parallel to and with the right hand wheels within 12 inches of the right hand curb or, in the absence of a curb as close as practical to the right edge of the right hand shoulder.
- B. One way Highways: Except as otherwise provided in this section, every vehicle standing or parked upon a one way highway shall be positioned parallel to the curb or edge of the highway in the direction of authorized traffic movement with its right hand wheels within 12 inches of the right hand curb or in the absence of a curb as close as practical to the right edge of the right hand shoulder. Or with its left hand wheel within 12 inches of the left-hand curb, or in the absence of a curb as close as practical to the left edge of the left hand shoulder.
- C. Angle Parking: A Municipality may permit angle parking on any highway after an engineering and traffic study has determined that the highway is of sufficient width to permit angle parking without interfering with the free movement of traffic, except that on a State designated highway prior approval of the State Department of Transportation shall also be obtained.

304 HANDICAPPED PERSONS AND DISABLED VETERANS

- A. When a motor vehicle bearing a handicapped or severely disabled veteran plate or displaying a handicapped or severely disabled veteran parking placard as prescribed in the State Vehicle Code is being operated by or for the transportation of a handicapped person or severely disabled veteran, the driver shall be relieved of any liability for 60 minutes in excess of the legal parking period permitted by local authorities except where local ordinances or police regulation provide for the accommodation of heavy traffic during morning, afternoon or evening hours.
- B. At the request of any handicapped person or severely disabled veteran, a Municipality may erect on the highway, as close as possible to their place of residence, a sign or signs indicating that the place is reserved for a handicapped person or severely disabled veteran, that no parking is allowed there by others, and that any unauthorized person parking there shall be subject to a fine.
- C. Except for persons parking vehicles lawfully bearing a handicapped or severely disabled veteran registration plate or displaying a handicapped or severely disabled veteran parking placard when such vehicle is being operated by or for the transportation of a handicapped person or severely disabled veteran, no person shall park a vehicle on a public or private property reserved for a handicapped person or severely disabled veteran which property has been posted in accordance with departmental regulation.
 - 1. Posting shall require a sign stating; the penalty amount, and a sign indicating that vehicles in violation of the section may be towed. The Municipality shall require that signs be replaced when they become either obsolete or missing with all costs to replace the required signs to be borne by the persons responsible for signing the particular location.

2. Removal of Vehicle: Any vehicle which is unlawfully parked in a designated handicapped parking area may be removed from that area by towing and may be reclaimed by the vehicle owner upon payment of the towing and storage costs.
- D. Unauthorized Use of Registration or Placard: An operator of a vehicle bearing a handicapped or severely disabled veteran plate or displaying a handicapped or severely disabled veteran placard shall not make use of the parking privileges accorded to handicapped or a severely disabled veterans under section C unless the operator is handicapped or a severely disabled veteran or unless the vehicle is being operated for the transportation of a handicapped or severely disabled veteran.
- E. Display of Handicap or Severely Disabled Veteran Placard: Every handicapped or severely disabled veteran who has been issued a placard in lieu of a handicapped or severely disabled veteran registration plate shall display the placard on the interior rearview mirror when parked in spaces posted for handicapped or severely disabled veterans.

305 STORAGE OF VEHICLE ON HIGHWAYS PROHIBITED

No vehicle shall be stored upon any highway. "Stored" shall mean the parking of a vehicle in one place upon a highway continuously for more than 48 hours

 2. The person or persons in charge of the vehicle are physically unable to provide for the removal of the vehicle.
 3. The person driving or in control of the vehicle is arrested for an alleged offense and is taken into immediate police custody.
 4. The vehicle is in violation of any section of this chapter.
 5. The vehicle had been abandoned.
- C. Notice Prior to Removal: When practical prior to the removal of any vehicle bearing a registration plate, certificate of inspection, or vehicle identification number plate by which the last registered owner can be determined, the police shall attempt to notify the owner of the impending removal.
- D. Cost of Removal of Vehicle: the cost of the removal of the vehicle at the direction of the police officer shall be paid by the owner of the vehicle prior to the release of the vehicle from the storage facility.

Article 500 SNOW EMERGENCY

501 SNOW AND ICE EMERGENCY

In order to facilitate the movement of traffic and to combat the hazards of snow and ice on the snow emergency routes as designated by the Municipality, the Municipality, in its discretion, may declare a snow and ice emergency (designated as a snow emergency). Information on the existence of a snow emergency shall be given by the Municipality through radio, internet, newspaper or other available media, and information on the termination of the emergency may be given by use of the same media. A declaration shall be effective immediately and shall not be dependent on the advertisement through the media.

502 VEHICLE RESTRICTIONS ON SNOW EMERGENCY ROUTES

After any snow emergency is declared, it shall be unlawful at any time during the continuance of the emergency for any person:

- A. to park a motor vehicle or to allow that vehicle to remain parked anywhere on any highway designated by the Municipality as a snow emergency route or:
- B. to drive any motor vehicle on any such snow emergency route unless that vehicle is equipped with adequate equipment to provide sufficient traction to keep such vehicle or tractor in motion so that other traffic on such highways will not be blocked or seriously impeded.

503 SNOW AND ICE NOT TO BE PLACED ON THE HIGHWAY

It shall be unlawful for the owner, occupant or tenant of any property to place, throw, dump, or pile any snow or ice removed from such property upon or into any sidewalk, curb, gutter, alley, highway, or to permit or cause the same to be done by any other person or persons, partnership, firm or corporation. It is hereby declared that removal and disposal of snow and ice from such property is neither directly nor indirectly a function or responsibility of the Municipality, and that, if the owner, occupant or tenant of any property shall desire or require that such snow or ice be removed from such property, it shall be the sole responsibility of such owner, occupant or tenant, as the case may be, to remove the same and to transport it to a place of disposal other than a sidewalk, curb, gutter alley or highway.

504 UNATTENDED VEHICLES PROHIBITED DURING EMERGENCY

Whenever a snow emergency has been declared it shall be unlawful for any vehicle to be abandoned or parked, on any public highway.
