

# Nazareth Pike Intersection Improvements

## State Route 191

Lower Nazareth Township, Board of Supervisors Meeting  
April 10, 2024

# Project Overview

## Purpose

- Improve signal operations along the corridor

## Need

- Traffic congestion
- Heavy truck traffic
- Crash history (safety)

# Improvements Overview

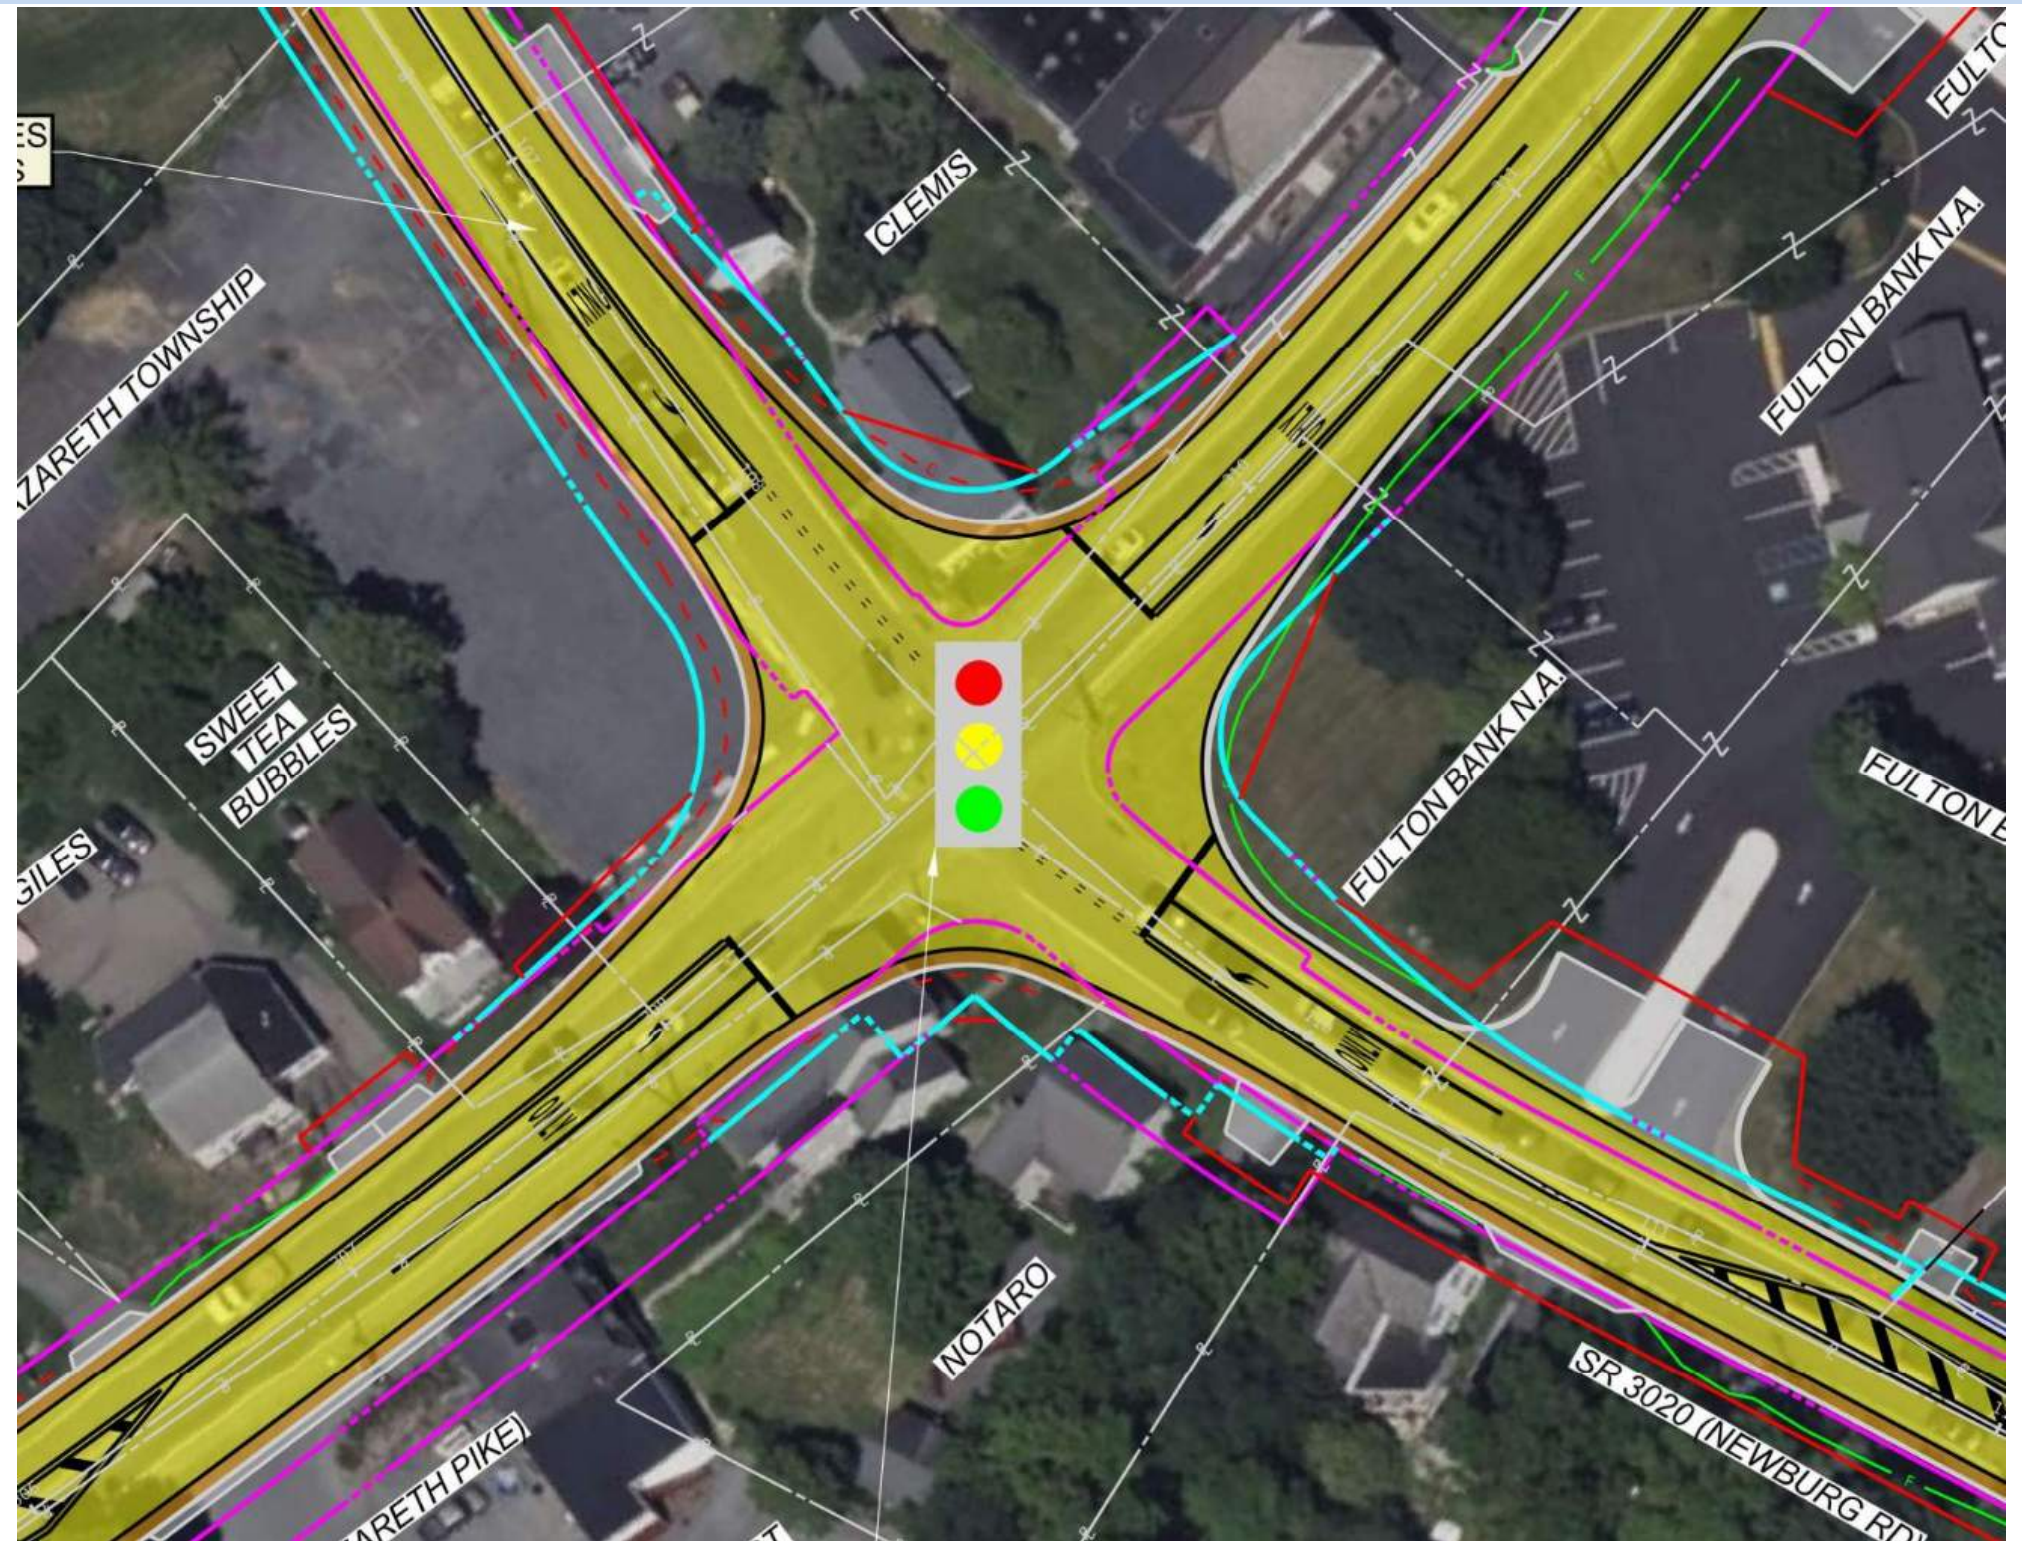

# Nazareth Pike/Newburg Road Intersection

## Proposed Improvements

- Add left-turn lane to each intersection approach
- Provide protected left-turn (green arrow) phasing on Nazareth Pike
- Widen pavement to allow tractor-trailers to make all turns

# Nazareth Pike/Newburg Road Intersection

## Proposed Improvements

- Replace traffic signal poles and equipment
- Replace guide rail on the Nazareth Pike northbound approach
- Place a single-face concrete barrier on the Newburg Road westbound approach

# Nazareth Pike/Daniels Road Intersection

## Proposed Improvements

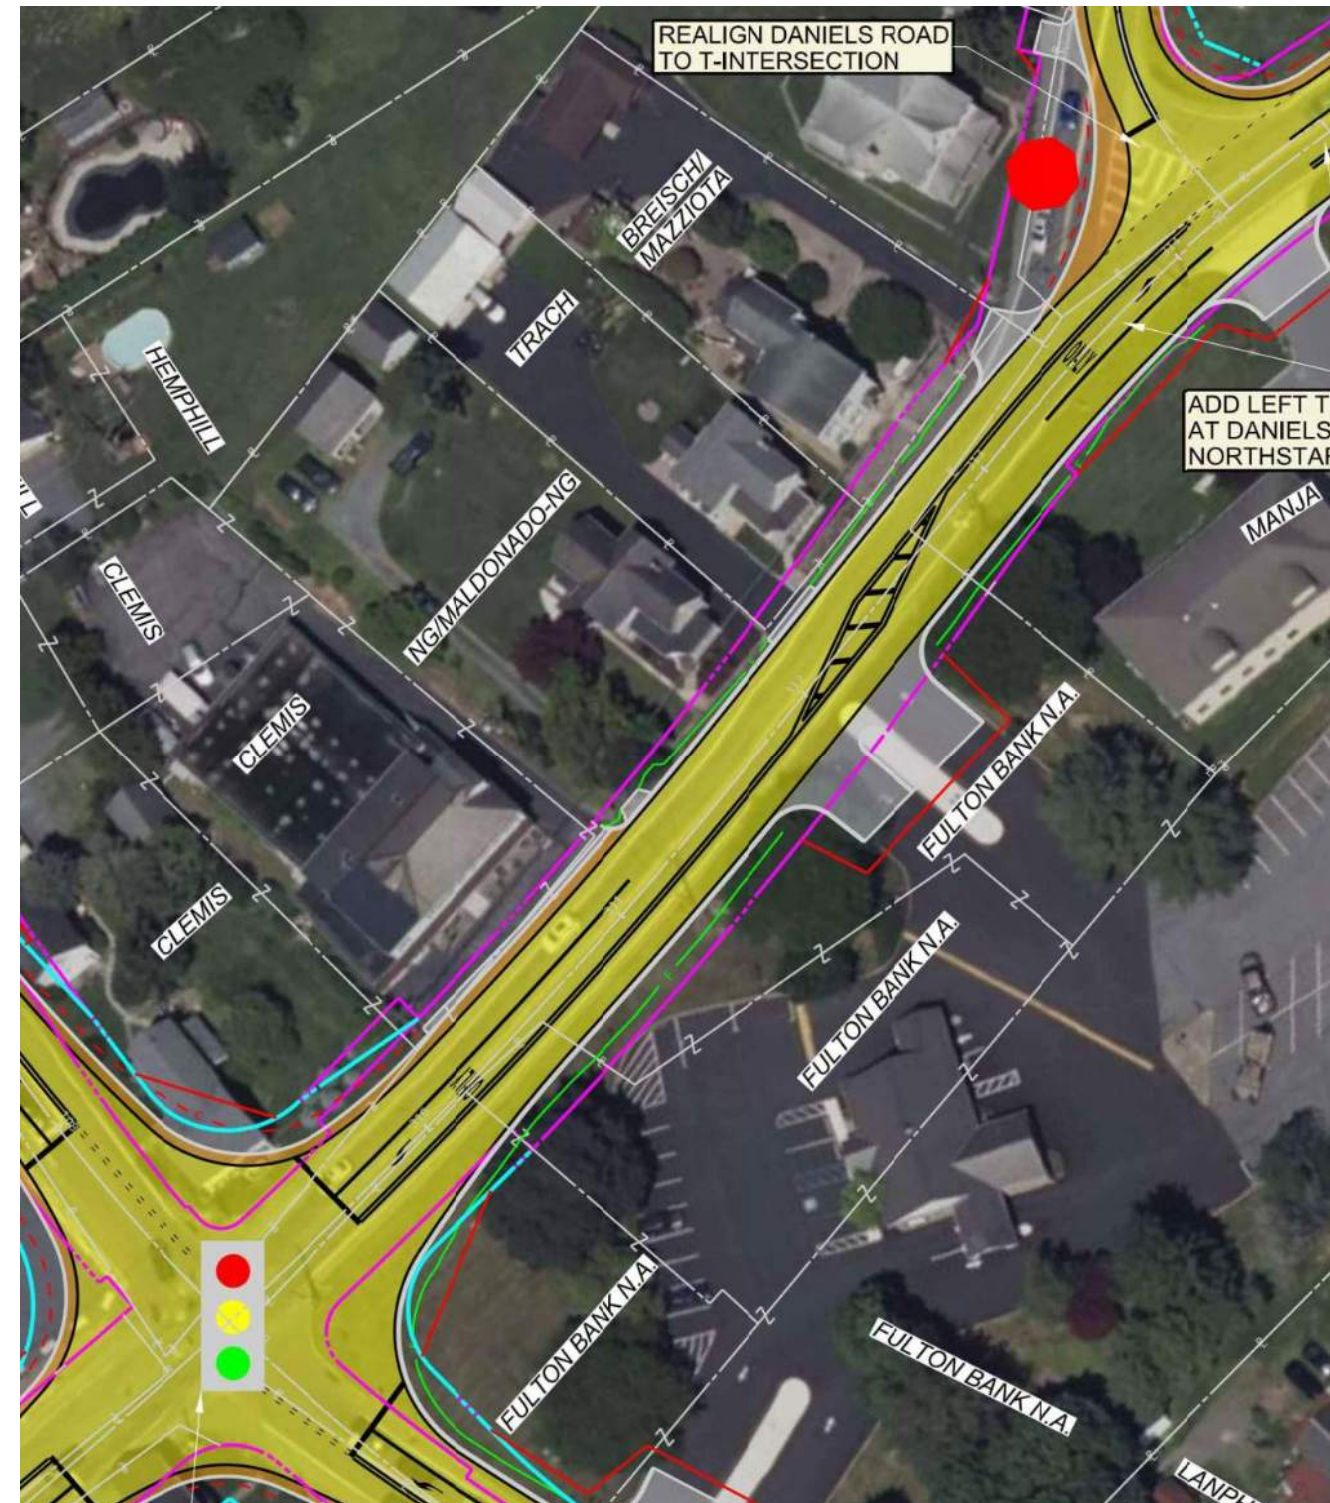

- Realign Daniels Road to create a T-intersection with Nazareth Pike
- Add a northbound left-turn lane to Daniels Road
- Add a southbound left-turn lane to Northstar Urgent Care complex

## Proposed Improvements

- Widen between the intersections to accommodate left-turn lanes
- Modify drainage and stormwater management, as needed
- Replace all traffic signs and pavement markings within the project limits

## Currently in Development

- Car traffic – Long-term lane shifts with signal modifications
- Car traffic – Short-term lane closures with flagging
- All traffic – Single weekend detour of Newburg Road
- Truck traffic – Potential detour for tractor-trailers
